	None Needed	Various resources including a citation generator, "this date in history" info, online book archives, and world newspapers.
	Username: efcts Password: student	This is a comprehensive news collection to explore issues from the local level to the international level. Topics include: politics, business, health, sports, cultural activities and people.
 Ohio Means Jobs	You don't need an account to access resources. However, you may want to create an account as you take surveys. It will store your data for future reference!	This a great resource for career exploration and career planning. You can take interest inventories to learn about types of jobs you may enjoy. You can explore jobs in demand, salaries, types of education needed, and more using this site.
	None needed	A resource for doing research, writing papers, and citing sources.
	You will need to register for a FREE account.	This is a citation generator.
		This is a tool to help prevent plagiarism.  You will create your own account for this service, but in order to turn papers into teachers, you will have to have a username and password from your teacher.

Additional databases are available at [www.infohio.org](http://www.infohio.org). The username is: efcts and the password is: infohio. Don't forget, if you are a member at other libraries (public libraries, home school libraries, etc) you have access to their databases as well!

These usernames and passwords are provided for EFCTS students and staff only.  
Please do not publish this information on the web.
